Books and Supplies Expenses: \$1,137 per year

Travel Expenses: \$1,073 per year (make your own estimate based on how often you plan to travel and how you will be traveling – subway, bus, car, train, etc.)

Short Answer Questions

What are three characteristics that you are most looking for in a college? Why?

What is your top choice school? Why?

Review your completed Post-Secondary Research Chart. Based on the financial resources available to you (not including a C-CAP scholarship), is your top choice the best fit for you financially? Why or why not?

Would you consider attending a school that is not your top choice? Would you consider attending a school you have not listed on this application? Why or why not?

Free Application for Federal Student Aid (FAFSA)

All **senior** C-CAP competitors are required to apply for the *Free Application for Federal Student Aid* (FAFSA) by the final competition. Check with your local C-CAP Coordinator for a specific deadline.

We highly recommended that applicants apply for the FAFSA *online*. For questions about the FAFSA or for assistance, please contact your high school guidance counselor or college advisor.

After submitting the FAFSA to the Department of Education online, you will receive a *Student Aid Report* (SAR) 2 weeks of your submission. **Senior competitors are required to submit a copy of their Student Aid Report (SAR) to C-CAP on or before the final competition to verify that they applied for FAFSA.**

General Information about the FAFSA:

Why is the FAFSA important?

FAFSA is the most important financial aid form a college student will fill out. It's necessary to complete the FAFSA in order to be eligible for federal, state, and college financial aid – including grants, loans, work study and scholarships. Even some private scholarships (like C-CAP) require students to complete the FAFSA! Some financial aid is first come, first serve so it's best to complete the FAFSA as soon as you can!

What federal aid am I eligible for if I complete the FAFSA?

By completing the FAFSA, you are eligible for grants, loans, and work-study opportunities. The following are the maximum amounts for federal grants and loans for college freshman in 2011-2012 (subject to change for 2012-2013):

Grants (Do not need to pay back)

- Pell Grant: Up to \$5,550
- Educational Opportunity Grant (FSEOG): Up to \$4,000

Loans (Need to pay back with interest)

- Subsidized Stafford Loan: Up to \$3,500 with 3.4% interest rate
- Unsubsidized Stafford Loan: Up to \$5,500 with 6.8% interest rate
- Perkins Loan: \$5,500 with 5% interest rate
- Parent Loan for Undergraduate Students: Up to the total cost of attendance with 7.9 % interest rate

How do I apply for the FAFSA?

The application and instructions will be made available on **January 1, 2012** on the FAFSA website at <http://www.fafsa.ed.gov/>. Applying online is the fastest way to complete and submit the form.

What if I have special circumstances that prevent me from applying for the FAFSA?

If you have special circumstances that prevent you from applying for FAFSA, please contact your local C-CAP Coordinator or C-CAP College Advisor as soon as possible.

What documents do I need in order to complete the FAFSA?

- Your social security number. Be sure it's correct!
- Your driver's license (if you have one)
- Your 2011 Federal Income Tax Return (if you filed or will file one) or your W-2
- Your Parents' 2011 Federal Income Tax Return
- Your current bank statements
- Your alien registration or permanent resident card (if you are not a U.S. citizen)

What happens after I submit the FAFSA?

1. The Department of Education will process your online application and will send a copy of your Student Aid Report (SAR) to your e-mail address within 3 to 14 days. Your SAR will summarize the data you reported on your FAFSA and it will provide an Expected Family Contribution (EFC) amount.
2. Check the SAR carefully and make any corrections or updates online as soon as possible.
3. Keep a copy of your SAR and submit a copy to C-CAP as verification that you applied for your FAFSA.
4. The Department of Education will also send a copy of your SAR to each of the schools you listed on your FAFSA.
5. Contact each school to make sure they received a copy of your SAR from the Department of Education. Your school will use this information to create your financial aid package.

Personal Essay

The personal essay helps us become acquainted with who you are as a person and a student, apart from grades, test scores, and work history. It will also demonstrate your ability to organize your thoughts and express yourself. Please carefully read the essay prompts. Write a clear, creative essay answering one (1) of the topics below. Requirements and guidelines have been provided to assist you.

Choose One (1) Topic:

Topic 1: Imagine you are writing your own autobiography. Tell us about your life – who you are, where you are from, and some of your life experiences. Include a bit about your interest in culinary arts and how you know it is the right career path for you.

– OR –

Topic 2: A role model is a person who serves as an example and is someone you look up to. Imagine you are going to prepare a meal for one of your role models (this could be anyone – a relative, friend, celebrity, chef, etc.).

- Which of your role models would you choose?
- Tell us why this person is your role model. Why do you look up to him or her? How has s/he influenced you? What qualities, skills or achievements does s/he have that you wish to attain?
- Describe what you would prepare for your role model and your reasons for choosing it.

Essay requirements

- 350 words or more
- Typewritten on white, unlined paper
- First name, last name and the date on each page of the essay
- Copy of one (1) handwritten draft corrected by a teacher
- If you applied to the C-CAP competition last year, you must write a completely **NEW** essay

A Good C-CAP Essay Will...

1. **Answer the essay prompt in its entirety** – Choose an essay prompt and make sure you fully respond to the topic or question(s) asked.
2. **Tell us your story** – You can distinguish yourself through your story; your story is unique. Tell us what makes you, you. This is your opportunity to “sell yourself” in the application process, to let us know who you are, where you’ve been and where you’re going.
3. **Be specific** – Give specific examples from your life to support your statements.
4. **Begin with a strong opening paragraph** – The opening paragraph is very important. It will grab the reader's attention or lose it. Concentrate on writing a strong introduction. If writing is not your strength, ask an English teacher to help you.
5. **Be free of grammar and spelling errors** – Type and proofread your essay very carefully. Have an English teacher in your school help you proofread. Spell check does not catch everything!

Letters of Recommendation

A recommendation letter is a written reference that offers information about your character, personality and work ethic. A letter of recommendation helps us to get to know you better through someone who has worked with you in an academic, professional, or personal setting. Each applicant must submit two (2) typewritten letters of recommendation on letterhead.

Both letters of recommendation must be attached to your C-CAP application upon submission. Your letter of recommendations must be typewritten on letterhead by:

1. **Culinary Teacher** – A culinary teacher (preferably the teacher who will train you for competition) who can write about your culinary skills and performance as a student.
2. **Applicant's choice** – A person who can write about your culinary skills, your performance as a student or employee, your work ethic and your character/personality – i.e. employer, mentor, religious advisor, high school guidance counselor, career counselor, coach.

Letters of recommendation will **NOT** be accepted from the following individuals:

- Parent/Guardian
- Friend
- Relative (including, but not limited to: brothers/sisters, cousins, grandparents, uncles, aunts, etc.)
- A C-CAP employee

GUIDELINES FOR RECOMMENDATIONS

Whom to ask

- Ask someone who is reliable and will write positive things about you. Consider their spelling, grammar, punctuation, and writing skills.
- Ask someone who is familiar with you and knows you well enough to include personal anecdotes in the letter.

How and when to ask

- C-CAP has included two forms (see attached) to explain the *C-CAP Cooking Competition for Scholarships* and to help your recommenders write their letters for you. Be sure to give this form to your recommenders.
- If possible, ask in person so you can hand deliver the form. If they have questions you can answer them right away.
- Explain what the recommendation is for and explain why you have chosen him or her to write it.
- Be sure to **give your recommenders at least two weeks** to write the recommendation and return it to you.
- Give them a specific due date that it should be back in your hands.
